

## Consort Clear

Consort carries a sheen of sophistication that can be felt as well as seen. This is uncoated paper of the highest quality – without the highest price tag.

Included in the Consort Royal family is Consort Clear, a pair of translucent sheets that, as dust jackets or interleaving pages, can add an extra layer of information or anticipation in annual reports, catalogues, brochures and mailings. To complement the other Consort Royal qualities, there are white and natural shades of Consort Clear, both available in a choice of weights.

### Product features and benefits:

Manufactured to the international environmental standard, ISO 14001
