

Consort Silk

Consort carries a sheen of sophistication that can be felt as well as seen. This is coated paper of the highest quality – without the highest price tag. The range includes two of the whitest coated sheets available in the UK. But it is whiteness with a reduced environmental cost; Consort products carry their own FSC accreditation too. The blue-whiteness of Consort and its highly developed coating makes colours leap off the page, illuminating the very finest detail.

Whiter than snow and impeccably smooth, Consort Silk gives graphics and images the definition and lift that no ordinary coated paper is capable of. Which is why so many leading designers and printers choose it to create award-winning pieces of print.

Product features and benefits:

Forest Stewardship
Council® certified

Associated value based services:

Bulk Packed Only

Bulk packed only; the supply of customer specified quantities of paper, subject to agreement

Profiles

Profiles; a promotional supplement to showcasing commercial print
