Product features and benefits:

Accredited to the Programme for the Endorsement of Forest Certification schemes

Manufactured to the international environmental standard, ISO 14001

Associated qualities:

My Brite Gloss
My Gold

Environmental statements:

When printing on My Brite Silk, you may wish to include a combination of the following environmental statements on your work. My Brite Silk:

- is manufactured to ISO 14001 and EMAS (Eco-Management & Audit Scheme) international standards, minimising negative impacts on the environment

If the product has PEFC certification:

- contains material sourced from responsibly managed and sustainable forests, certified in accordance with the PEFC (Programme for the Endorsement of Forest Certification schemes)

PEFC logo usage guidelines:

When specified, the PEFC logo can be used on publications printed on My Brite Silk. Should your company or printer have certification to the standard, you can use the PEFC logo as outlined in the logo usage guidelines found in the PEFC information CD. An example of its use is shown below:
